

School Governor VACANCIES

The Auriga Academy Trust is founded on the vision that, through working together, we can provide outstanding learning experiences for the pupils and students in our communities, both now and in the future.

We comprise three separate and distinct special academies each with their own local governing board. We currently are recruiting governor volunteers (with and without governance experience) to join our boards. If this could be for you, check out our website www.aurigaacademytrust.org.uk
