## **1. Scope**

This policy applies to all teachers employed by the Trust who are pregnant.

The recognised trade unions have been consulted.

## **2. Policy Purpose**

This policy sets out Maternity Leave and Pay entitlements and the relevant procedure for employees (teachers) seeking to take maternity leave.

## **3. Statutory Maternity Leave**

All pregnant employees are entitled to take up to 52 weeks' maternity leave regardless of length of service and number of hours worked.

### **3.1 Ordinary Maternity Leave (OML)**

- Employees are entitled to take 26 weeks' OML.
- Employees can choose to start maternity leave any time from the 11<sup>th</sup> week before the expected week of childbirth (EWC)
- If the baby is born earlier than the 11<sup>th</sup> week before the EWC or before the date notified as the intended start date of maternity leave, then maternity leave will automatically start the day after the birth of the baby
- Maternity leave will also start automatically if the employee is off work for a pregnancy related illness in the 4 weeks before the EWC irrespective of what has been previously notified or agreed with the employer. Where this is the case, maternity leave will automatically start the day after the first day of sickness absence.

### **3.2 Additional Maternity Leave (AML)**

- In addition to OML, employees are entitled to take 26 weeks' AML
- This will start immediately after OML ends i.e., there cannot be a gap between OML and AML.

### **3.3 Compulsory Maternity Leave (CML)**

- Employees are not allowed to work for the 2 weeks immediately after the birth of their baby. It is compulsory to have that time off.

### **3.4 Keeping in Touch (KIT) Days**

Except during the first 2 weeks of compulsory maternity leave, employees may, by agreement with the school, work for up to 10 days during their maternity leave without losing maternity benefits (KIT days).

The KIT days do not have to be consecutive and may be used for an activity, which would normally be classed as work under the contract of employment, for which employees would be paid. This can include training events and attending meetings etc.

Any work and the type of work undertaken during the leave period must be by mutual agreement with the Trust / school; there is no obligation on the Trust / school to offer work or for the employee to accept it.

Part-days worked will count as whole days and employees will be paid their normal daily rate of pay for days worked offset by any SMP that may be due to them.

The template forms at **Appendix H and I** can be used to record KIT days and to submit for payment respectively.

### **3.5 Reasonable Contact during Maternity Leave**

The employee's manager is allowed to make reasonable contact with the employee during their maternity leave to discuss such matters as their return to work arrangements. This is also useful in order to

keep the employee informed of other matters such as job vacancies, significant developments in the workplace and training opportunities. This does not constitute 'work' and will not therefore count towards the 10 KIT days.

Employees should agree beforehand how they wish to be kept updated.

### 3.6 Accrual of Statutory Annual Leave during Maternity Leave

- Although teachers do not have a contractual entitlement to paid annual leave nor a specified annual leave year, they do have a statutory entitlement to 28 days' (5.6 weeks) annual leave under the Working Time Regulations 1998 as amended
- A teacher who takes maternity leave must be able to take the 28 days' statutory annual leave at a time outside of their maternity leave period
- Any part of the teacher's maternity leave period (i.e., OML or AML) cannot be treated as annual leave
- The annual leave year, for the purposes of establishing annual leave entitlement for teachers on maternity leave, will be 1<sup>st</sup> September to 31<sup>st</sup> August to coincide with the academic school year
- The entitlement to 28 days' statutory annual leave is not an additional entitlement on top of the current school closure arrangements. This annual leave entitlement must be offset by any period of school closure that has taken place in the leave year in question both before and after the maternity leave period
- Where the return from maternity leave is so close to the end of the leave year that there is not enough time to take all the annual leave entitlement for that year, or overlaps into the next leave year, the balance of the leave can be carried over to the following leave year
- It is not possible to carry over the annual leave into the next leave year if there is time to take the leave in the current leave year i.e. in school closures
- As an employee has 28 days' statutory annual leave, the accrual of leave is not affected by what stage of maternity leave an employee is at or whether they are receiving pay
- Teachers do not have a contractual entitlement to paid leave on public or bank holidays. The early May bank holiday is the only bank holiday that falls during term time. For the purposes of annual leave, the early May bank holiday will be classed as a school closure which counts against the statutory annual leave entitlement of 28 days
- Under the Working Time Regulations, it is not possible for a payment in lieu of annual leave that has not been taken except on termination of employment, e.g. if the teacher decides not to return to work following the maternity leave period

Please see **Appendix K** for examples of scenarios in respect of accrued annual leave.

## 4. Maternity Pay

### 4.1 Statutory Maternity Pay (SMP)

#### **SMP Eligibility:**

To qualify for SMP, employees have to meet conditions based on length of service and level of earnings as below:

- Employees must have at least 26 weeks' continuous service with their employer as at the 15<sup>th</sup> week before the EWC
- Their earnings must be equal to or above the lower limit for National Insurance Contributions – refer to [GOV.UK](https://www.gov.uk) for the prevailing Lower Earnings Limit (LEL).

#### **SMP Entitlement:**

SMP will be paid at:

- 90% of employee's average weekly earnings (higher rate) or
- Prevailing Statutory Maternity Pay rate (lower rate), (whichever is lower).

SMP is payable for 39 weeks. For the first 6 weeks it is paid at 90% of the average weekly earnings. The following 33 weeks will be paid at 90% of the average weekly earnings or at the prevailing SMP rate per week (whichever is lower).

SMP is paid by the employer in the same way, time and frequency as the employee's normal salary and is subject to deductions for Income Tax and National Insurance Contributions.

SMP cannot be paid earlier than the 11<sup>th</sup> week before the EWC except where the baby is born before the start of the 11<sup>th</sup> week, in which case SMP will be paid from the day after the birth of the baby.

Payment of SMP is not conditional upon the employee returning to work and it is not refundable if the employee decides not to return to work after the end of maternity leave.

#### **4.2 Maternity Allowance (MA)**

If the employee does not qualify for SMP, they may be eligible to claim Maternity Allowance (MA) from their local your Job Centre Plus Office, provided they satisfy the National Insurance Contribution conditions based on their previous employment or self-employment. Eligibility for MA will be assessed and paid by the local Job Centre Plus Office.

MA payments are made weekly for a maximum period of 39 weeks and are paid out at the same rate as SMP (see paragraph 4.1.2 above).

If the employee has been assessed as not being entitled to SMP, they will be sent a SMP1 Form from the Trust's payroll provider giving reasons why SMP cannot be paid to them. The SMP1 Form is required for an application for MA.

MA is not refundable if the employee does not return to work after the end of maternity leave.

#### **4.3 Occupational Maternity Pay (OMP):**

Entitlement to occupational maternity pay set out in this policy is in accordance with the Conditions of Service for School Teachers document, (the Burgundy Book).

##### **OMP Eligibility:**

To qualify for OMP, the employee must meet conditions based on length of service and level of earnings as below:

- The employee must have not less than 52 weeks' continuous *local government* service as at the 11<sup>th</sup> week before the EWC and
- The employee must return to work for 13 weeks, or an equivalent extended period if returning on reduced hours, at the end of the maternity leave.

##### **OMP Entitlement:**

OMP is paid at equivalent to 50% of the employee's salary for a period of 12 weeks.

Employees can choose to receive this payment as follows:

- Spread over a period of 12 weeks following the first 6 weeks' at SMP or MA (and concurrent with the lower rate SMP)
- Spread over the 33 weeks following the first 6 weeks' at SMP or MA (and concurrent with the lower rate SMP)
- When they return to work at the end of their maternity leave period when it will be paid to them as one lump sum.

In the event the employee does not return to work for the specified equivalent period after the end of their maternity leave, and OMP has been paid to them during their maternity leave, they

will be required to repay the OAP element of the maternity pay including the corresponding National Insurance Contributions.

#### **4.4 Maternity Payments - Summary**

Entitlement to maternity pay and the corresponding qualifying criteria is set out below and in the Maternity Leave & Pay Chart at **Appendix A**.

**Teachers with 52 weeks' continuous service/locally recognised service at the 11<sup>th</sup> week before the EWC, and who meet the qualifying criteria for SMP as stated above, will receive maternity pay as follows:**

- 4 weeks at full pay (offset against payments made by way of SMP)
- 2 weeks at 90% of salary (offset against payments made by way of SMP)
- 12 weeks at 50% of salary (OMP) plus lower rate SMP
- 21 weeks at lower rate SMP.

The remaining period of maternity leave i.e. 13 weeks will be on an unpaid basis.

**Teachers with 52 weeks' continuous service/locally recognised service at the 11<sup>th</sup> week before the expected week of childbirth, but do not meet the qualifying criteria for SMP as stated above, will receive maternity pay as follows:**

- 4 weeks at full pay (offset against payments made by way of MA)
- 2 weeks at 90% of pay (offset against payments made by way of MA)
- 12 weeks at 50% of salary (OMP) plus MA if eligible
- There is no entitlement to SMP
- There may be an entitlement to MA for the remaining 21 weeks.

**NB:** Eligibility for MA will be assessed and paid by your local Job Centre Plus Office.

**Teachers with less than 52 weeks' continuous service/locally recognised service at the 11<sup>th</sup> week before the expected week of childbirth but who meet the qualifying criteria for SMP as stated above, will receive maternity pay as follows:**

- 6 weeks at 90% of salary i.e. higher rate SMP
- 33 weeks at lower rate SMP
- There is no entitlement to OMP.

The remaining period of maternity leave i.e. 13 weeks will be on an unpaid basis.

## **5. Antenatal Care**

Pregnant employees can request time off to attend antenatal care appointments. Antenatal care includes routine doctor/midwife appointments and relaxation/parent craft classes. Time off for appointments will be paid when recommended by a doctor, nurse, or midwife.

Employees wishing to take time off for these appointments should endeavour to give their Headteacher/Line Manager as much notice as possible.

Employees who are expectant fathers and partners of the expectant mother are also entitled to take paid time off during working hours to accompany her to antenatal appointments (see **Paternity/Partner Leave Policy**).

Request for antenatal appointment time off should be made using EveryHR under My Portal > My Leave > + Request General Absence > Reason for Absence = Antenatal Appointment.

## 6. Stillbirths and Early Births

Employees still qualify for maternity leave and pay if their baby:

- i. Is born early
- ii. Is stillborn after the start of the 24<sup>th</sup> week of pregnancy
- iii. Dies soon after being born.

Schools may wish to consider support for the employee through confidential counselling via their employee assistance programme.

In ii and iii above, the employee may be entitled to **Statutory Parental Bereavement Leave** or **Special Leave**, please refer to the appropriate Trust policy.

In the event of miscarriage before or during the 24<sup>th</sup> week of pregnancy an employee will not be able to claim statutory or contractual maternity benefits.

## 7. Notification of Pregnancy

It is in the employee's best interest to notify the Trust / school of their pregnancy as soon as possible so that the Trust / school can carry out a risk assessment to identify any risk to the employee and/or their baby.

Formal written notification of the pregnancy and intention to take maternity leave must be given by the 15<sup>th</sup> week before the EWC using the Maternity Leave Request Form at **Appendix E**.

If the employee later wishes to change the intended start date, they will need to give at least 28 days' written notice before the amended start date, using the Notification of Change Form at **Appendix F**.

If the employee fails to give the required notifications within the specified time limits, they may lose their right to maternity pay and to start maternity leave on the intended start date.

The Step-by-Step Notification Process and procedure is given at **Appendix C**.

## 8. Return to Work

### 8.1 Returning to work after OML:

Employees are entitled to return to the same job on the same terms and conditions of employment as if they had not been absent unless this is not reasonably practicable due to a restructuring/redundancy situation.

### 8.2 Returning to work after AML:

Employee are entitled to return to the same job on the same terms and conditions of employment as if they had not been absent. However, where a restructuring/redundancy situation has occurred or there is some other reason why it is not reasonably practicable for the employee to return to the same job, they are entitled to return to another job that is both suitable and appropriate for them to do in the circumstances. This must be on terms and conditions that are no less favourable that would have applied had they not been absent.

### 8.3 Return to work – Notice Requirements:

If the employee intends to return to work at the end of the full maternity leave period (i.e. after 52 weeks), they will not be required to give any further notification of their return to work.

If the employee wishes to return to work from maternity leave earlier than the date originally agreed, they must give the school at least 21 days' notice of the revised date of return to work. The Notification of Early

Return to Work Form at **Appendix J** can be used. Failure to give the appropriate notice may result in the return being delayed.

If the employee does not intend to return after their maternity leave, they are required to give the school notice of resignation in accordance with the terms and conditions of their contract of employment.

Where the employee does not return to work (or returns to work for a period which is less than 13 weeks), any OMP which has been paid to them during their maternity leave, will have to be repaid including the corresponding National Insurance Contributions.

#### **8.4 Flexible working upon a return to work:**

If the employee wants to request returning to work on a different work pattern prior to their return, they can make a request using the Trust's **Flexible Working Policy**.

### **9. Rights During Maternity Leave**

Maternity leave is regarded as continuous service and does not constitute a break in service. All contractual terms and conditions (except for normal remuneration) should continue throughout a period of maternity leave including the accrual of annual leave. During this period, the employee will continue to be bound by the terms of their contract of employment including the implied term of trust and confidence and any terms as to notice of termination by them.

### **10. Teachers' Pension Scheme**

If the employee is a member of the Teachers' Pension Scheme, any paid part of their maternity leave will count as pensionable service. This means that deductions will be made from all maternity pay they receive from the employer. The employee can elect to pay contributions for the unpaid period of maternity leave when they return to work.

### **11. Responsibilities: Employee and Headteacher / Line Manager**

Please see **Appendix B** for specific responsibilities of the employee and those of the Headteacher/Line Manager.

### **12. Protection from Detriment or Dismissal**

An employee has the right not to be subjected to detrimental treatment or be dismissed because they are exercising their rights under this policy in taking or seeking to take maternity leave.

## Appendix C: Step-by-Step Notification Process and Procedures

### **STEP 1: Employee advises manager of pregnancy**

Although this is left to the employee's discretion it is in their best interest to do this as soon as possible so that a risk assessment can be undertaken to identify any risk to them and/or their baby.

### **STEP 2: Employee formally requests maternity leave by the 15<sup>th</sup> week before Expected Week of Childbirth**

Employees can use the Maternity Leave Request Form at **Appendix E** and send it to the school copying Trust HR ([aurigaacademytrust.org.uk](http://aurigaacademytrust.org.uk)).

Please attach the original of the Maternity Certificate MAT B1 if available (if not, this must be forwarded as soon as possible and by the 11<sup>th</sup> week before EWC at the latest as SMP cannot be paid without this).

**Failure to comply with this step could prejudice your entitlement to maternity benefits.**

### **STEP 3: Trust HR writes to the Employee within 28 days of receipt of written notification**

Trust HR will confirm to the employee in writing their entitlement to maternity pay and leave and their expected date of return.

### **STEP 4: If the employee wishes to change the start date of their maternity leave from a date notified earlier, minimum 28 days' notice required before start date of revised date**

If the employee wishes to change their maternity leave start date, from a date they have notified earlier, they must notify [the Headteacher and Trust HR](#) in writing. They can use the form at **Appendix F**.

### **STEP 5: Notification of actual birth date of your baby, as soon as possible after birth**

The employee needs to notify [the Headteacher and Trust HR](#) in writing of the actual birth date of their baby and send a copy of the birth certificate. **See Appendix G.**

### **STEP 6: Notification of Early return from Maternity Leave, 21 days' notice prior to the revised return date**

If the employee wishes to return to work earlier than the agreed date, they must notify [the Headteacher and Trust HR](#) in writing 21 days before the revised return date. Failure to give appropriate notice may result in the return being delayed. **See Appendix J.**

### **STEP 7: Return to Work**

On return date, the employee's manager is required to carry out a return to work interview and a risk assessment with them.

The teacher will already have had the benefit of 4 weeks of school closure prior to going on maternity leave. There will be an additional entitlement of 8 days which will be carried over to the next leave year as the teacher is returning on 01 September. This will be taken following the first 28 days of annual leave entitlement in school closure periods for that leave year.

**Scenario 3:** The teacher is taking OML and AML and starts maternity leave on 01 October.

**Leave Year 1** – The teacher has had no annual leave but has an entitlement to 28 days (5.6 weeks) which will be carried over to the next leave year on her return from maternity leave in October.

**Leave Year 2** – The teacher will benefit from 13 weeks of school closure to offset her annual leave entitlement for both Year 2 (28 days, 5.6 weeks) and following this the annual leave entitlement due to her for Year 1 (28 days, 5.6 weeks) i.e. 11.2 weeks in total. There will be no additional entitlement to annual leave.

**Scenario 4:** The teacher takes OML only and starts maternity leave 01 January but decides to resign and does not return at the end of the maternity leave period.

The teacher has not worked a full leave year and will be entitled to a pro-rated statutory annual leave entitlement i.e. 10 months (Sept to Jun). Pro-rata entitlement for 10 months =  $28/12 \times 10 = 23$  days. The teacher will benefit from 3 weeks (15 days) of school closure prior to going on maternity leave and will therefore have an outstanding annual leave entitlement of 8 days. Therefore 8 days' pay in lieu will be due on termination.
